### Swim the Distance 2024 Terms and Conditions:

The swim the distance membership will be valid from 1st August to 30th September 2024. All regular terms and conditions will apply when using the Kiwa Pools complex, including pool rules and the Pool Alone policy. In the event the pool is closed from longer than 3 days, during the challenge period due to unforeseen circumstances, the registered participant will have their membership extended to a date that will entitle them to continue to swim for the equivalent of 8 weeks. If this closure occurs and extends passed the finish date of 30th September, the Swim the Distance Challenge will conclude, and distances recorded at the time of closure will be the result for participants. Once Kiwa Pools reopens the total of 8 weeks of swimming for this membership will be honoured. A monetary refund will not be given.

All entrants to the Swim the Distance Challenge will receive one entry into the prize pool. All minor prizes will be randomly drawn at specified stages throughout the challenge and the major prize drawn at the prizegiving at the end of the Swim the Distance Challenge. All draws are final, and no correspondence will be entered into. You are eligible once for each draw. To be eligible for the major prize the participant must have logged 45.5km by 8pm on the 30th of September 2024. Kiwa Pools and Whiti Ora staff are not eligible to enter.

Undertaking exercise carries some inherent risks therefore please check with your doctor or physician before beginning any new exercise programme.
