28TH SEPTEMBER TITIRANGI TE KURI TRIG

CHALLENGE INFO

The Titirangi Mt. Everest Challenge is a seven week event where people of all ages walk, run or cycle up Titirangi (Kaiti Hill) 68 times, which is equal to the height of Mount Everest. You can do it solo or as part of a team to help motivate each other.

Every year, the event turns the Titirangi Domain into a hub of activity during the spring months of September and October, with many enjoying both the physical benefits and social interaction of being on the hill during this time.

Participants can track their progress with a **free**, live, online leaderboard to track your (and your team's) progress. Each challenger can create a profile, enter their climbs and track their journey towards summiting Mt. Everest and other noteworthy peaks. It connects friends, whanau and teams, which makes it perfect for challenging and encouraging one another to conquer the maunga!

The challenge begins on the 28th of September, so dust off your walking shoes and get a team together!
